PROVEN PERFORMANCE  
RUGGED RELIABILITY

**GREAVES**

# GCT-UB750 BATTERY, U-DIE, 12 TON TOOL

## FEATURES

- Rapid ram advance and selectable auto-retract switch
- Designed for single-handed operation
- Head rotates 180° for maneuverability in tight locations
- Open "C head" design allows lay-in of connector without closing a latch
- Protective rubber boot helps prevent accidental contact with energized circuits
- Low battery indicator on battery pack
- 5-year Tool and 3-year Battery and Charger Limited Warranty

## INCLUDED

- 2 Batteries – Makita® 18V 5Ah Li-ion LXT®
- 120V AC Charger
- Operator Manual
- Heavy Duty Carrying Bag

DIES SOLD SEPARATELY

SPECIFICATIONS
Compression Force - 12 Ton
Accepts all industry-standard U-type die sets
Dimensions - 17 x 11.3 x 3.6 inches
Weight - 16.3 lbs
Open "C head" with 1.65 inch jaw opening
Compression Cycles Estimate with full 5Ah battery:
- 155 on 500MCM CU
- 145 on 750MCM CU
Range: #8AWG to 750MCM AL/CU U-dies

# GCT-UH750 MANUAL, U-DIE, 12 TON TOOL

## FEATURES

- Rapid ram advance, selectable release trigger
- External pressure adjustment
- Head rotates 180° for maneuverability in tight locations
- Open "C head" design allows lay-in of connector without closing a latch
- Protective rubber boot on C-head helps prevent accidental contact with energized circuits
- Output tonnage is adjustable to 14 tons for some specific grounding applications
- 5-year Tool Limited Warranty

## INCLUDED

- Operator Manual
- Heavy Duty Molded Polymer Carrying Case

DIES SOLD SEPARATELY

SPECIFICATIONS
Compression Force - 12 Ton
Accepts all industry-standard U-type die sets
Dimensions - 25 x 1.65 inches
Weight - 16.5 lbs
"C head" with 1.65 inch jaw opening
Range: #8AWG to 750MCM AL/CU U-dies

# ComPresA<sup>®</sup> TOOLS

**PROVEN PERFORMANCE  
RUGGED RELIABILITY**

**ComPresA<sup>®</sup> tools are the contractors' choice, leading the industry in design, performance, and durability .**

The ComPresA Tool line is tailored for industrial and commercial use in construction, maintenance, and repair. The line includes both battery-powered and hand-operated hydraulic tools, in both die and dieless types to handle all common installations of copper and dual-rated aluminum compression connectors and ground taps. Dieless tools add versatility and convenience. The cable cutter completes the line to cleanly cut up to 1000MCM CU or 1500MCM AL cables.

## FEATURE HIGHLIGHTS

5 year tool limited warranty

Battery charge indicator

LED Worklight

**75KV**

75KV Live line rated

# GCT-D4B750 BATTERY, DIELESS 4-POINT, 6 TON TOOL

## FEATURES

- Designed for single-handed operation
- Flip-top head design allows lay-in of connector
- Rapid ram advance and selectable auto-retract switch
- Release trigger
- Head rotates 360° for maneuverability in tight locations
- Integrated worklight
- Low battery indicator on battery pack
- 5-year Tool and 3-year Battery and Charger Limited Warranty

## INCLUDED

- 2 Batteries - Makita® 18V 5Ah Li-ion LXT®
- 120V AC Charger
- Operator Manual
- Heavy Duty Carrying Bag

### SPECIFICATIONS

Compression Force - 6.2 Ton
Dimensions - 16 x 11.6 x 3.3 inches
Weight - 12.1 lbs
Compression Cycles Estimate with full 5Ah battery: - 450 on 500MCM CU
Range: #8AWG to 750MCM AL/CU

BATTERY  
DIELESS

# GCT-D4H750 MANUAL, DIELESS 4-POINT, 6 TON TOOL

## FEATURES

- Dieless design eliminates need for dies
- Rapid ram advance, selectable release trigger
- Flip-top head design allows lay-in of connector
- Head rotates 360° for maneuverability in tight locations
- 5-year Tool Limited Warranty

## INCLUDED

- Operator Manual
- Heavy Duty Metal Carrying Case

### SPECIFICATIONS

Compression Force- 6.2 Ton
Jaw Opening - 1.5 in.
Dimensions - 23 x 1.5 inches
Weight - 11.5 lbs
Flip-top closure
Range: #8AWG to 750MCM AL/CU

HAND-HELD  
DIELESS

# Extended Size Range

For jobs with larger cables, and for cable cutting, these additional tools provide solutions. These tools extend the range to 1000MCM AL/CU, 1500MCM copper and 1250MCM aluminum compression connectors.

## GCT-D1B1000 BATTERY, DIELESS 1-POINT, 12 TON TOOL

### FEATURES

- Designed for single-handed operation
- Rapid ram advance and selectable auto-retract switch
- Release trigger
- Head rotates 180° for maneuverability in tight locations
- Flip-top closure allows lay-in of connector
- Integrated worklight
- Low battery indicator on battery pack
- 5-year Tool and 3-year Battery and Charger Limited Warranty

#### SPECIFICATIONS

Compression Force - 12 Ton

Dimensions - 16.5 x 4 x 14.5 inches

Weight - 15 lbs

Crimping Cycles Estimate with full 5Ah battery:  
 - 155 on 500MCM CU  
 - 145 on 750MCM CU

Range:  
 - #6AWG to 1000MCM CU  
 - #8AWG to 1000MCM AL

**BATTERY  
DIELESS**

### INCLUDED

- 2 Batteries - Makita® 18V 5Ah Li-ion LXT®
- 120V AC Charger
- Operator Manual
- Heavy Duty Carrying Bag

### GCT-D1SB1000

**BATTERY, DIELESS,  
NEST-INDENTER,  
12 TON TOOL**

- Extended range handles up to 1000MCM AL/CU
- Ram advance, selectable release trigger
- Side handle assists positioning
- Head rotates 180° for maneuverability in tight locations

### GCT-UPB1500

**BATTERY, P/U DIE,  
15 TON TOOL**

- Extended range handles up to 1250MCM AL and 1500MCM CU
- Ram advance, selectable release trigger
- Side handle assists positioning
- #PUAD adapter and P-dies available

### GCT-BC1500

**BATTERY CABLE  
CUTTER TOOL**

- Cleanly cuts up to 1000MCM copper or 1500MCM aluminum cable
- Not for ACSR, steel
- Single trigger with Forward and Release lever
- Fixed blade and moveable cutting blade

# ComPresA<sup>®</sup> TOOLS

## PROVEN PERFORMANCE RUGGED RELIABILITY

ComPresA<sup>®</sup> Tool have been field-proven for ruggedness and reliability through decades of extensive and widespread use in the utility industry, where installing reliable connections is paramount. Continuous improvement and engineering development assure that these tools lead the industry in features and reliability. ComPresA Tools carry industry-leading 5-year limited warranties..

*Each battery-powered tool is supplied in a heavy duty carrying bag.*

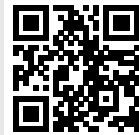

Greaves Corporation is not affiliated, authorized, or endorsed by Makita Corporation. Makita listed batteries and chargers are being re-sold by Greaves Corp. Makita<sup>®</sup> and LXT<sup>®</sup> are registered trade-marks of Makita Corporation.

## Greaves Connectors

ComPresA tools are tailored to install standard color-coded compression lugs and splices. Greaves supplies a full range of both copper and dual-rated aluminum compression lugs and splices, as well as the unique all-copper PT-R ReduceA<sup>®</sup> and PT-FX Shoo-Pin adapters. Greaves also fabricates special versions, and designs custom connectors. For complete information, visit the Greaves website.
